

Disclaimer

For the purpose of this disclaimer, “**you**” means customer or any person accessing this website.

1. Not offer, solicitation or sale of any investment product

This communication and information in this website (collectively the "Information") are provided to you alone for discussion purposes only. Unless otherwise expressly stated, this is not and does not constitute or form part of any offer, recommendation, invitation or solicitation to purchase any financial product or subscribe or enter any transaction. This is not intended to be an invitation or offer made to the public to subscribe for any financial product or other transaction.

The Information shall not constitute financial advice. We, Ever-Long Investment Strategy (“ELIS”), do not undertake to be your adviser by providing you with the Information. Therefore, we do not assume any fiduciary responsibility or liability for any consequences, financial or otherwise, arising from any transaction in reliance on such Information. The Information does not take into account your personal circumstances, e.g. investment objectives, financial situation or particular needs. You should consult your own independent financial, accounting, tax, legal or other competent professional advisors.

2. No Investment Advice Provided

The information provided on the website are provided for general informational purposes only, and do not constitute investment advice or trading advice. It should not be relied upon this website as a substitute for extensive independent market research before making your actual trading decisions.

All website content is subject to change at any time without notice. You should not make any decision, financial or otherwise, based on any of the information on this site without undertaking your own due diligence.

You agree that any use of our product, which you purchase, is solely at your own risk and without recourse to ELIS or its subsidiary. ELIS will not accept liability for any loss or damage, including without limitation any loss of profit, which may arise directly or indirectly from use of or reliance on the service.

3. Past performance

Past performance is no guarantee of future results. Actual results may vary depending on the timing and frequency of your transactions made. Future results may not meet our/ your expectations due to a variety of economic, market and other factors.

All figures and amounts stated are for illustration purposes only and shall not bind us.

Any quotations, comments, analysis, estimates, forecasts, opinions or other similar information provided in this website/communication or otherwise, represents our judgment based on certain assumptions and parameters as of the date indicated. Therefore, they may be subject to change without notice and we give no warranty as to its accuracy, completeness or reliability.

4. Third party information

General Information provided in relation to values of securities, applicable exchange rates, NAV and dividends are obtained from brokers, fund managers and/or such other third-party intermediaries as ELIS may select from time to time. Where such information is shared with you, do note that ELIS is not responsible for errors or omissions in links from such nonaffiliated websites or other publicly available third-party material provided.

5. Subject to General Terms and Conditions

For the avoidance of doubt, all Information and ELIS's dealings with you are subject to ELIS's Service Agreement, Privacy Policy, and (if applicable) the Account Opening Agreement provided by broker(s) or service provider(s).
